1 Introduction

Too long don't read : A simple demonstration of how macros are working. The output should be in LaTeX and was compile from markdown-like format.

- Simple list ;

- Example ;

- Another one item.

```
Hello there
```

```
this is some code block
```

LaTeX Some LaTeXdefinition

A simple math mode x_i and a protected one $$x_i$$. A long formula now:

$$\sum_{i=0}^{n} \sqrt{x_i + y_i}$$

2 This is the first section or paragraph. . .

2.1   and a sub-section or section may-be

Here the text begins.
